

Sports Program - Parent Code of Conduct

Parent Code of Conduct

Our hope and goal is to be a shining light in the community through the WOLCS Sports Program and through our affiliation with the Pomona Valley League. Our mission and the mission of the Pomona Valley League is to provide students a safe and positive developmental environment in which to learn a variety of sports at a balanced competitive level. Meaningful and significant playing time for all team members is emphasized. Proper sportsmanship from players, coaches and parents is required including respect for officials, coaches and opposing team members. We reserve the right to ask anyone to leave the event if.....

- they use vulgar language in dealing with anyone during a practice or sporting event;
- they are negative or condescending to any child;
- we have to ask that person to contain themselves more than once;
- they yell at the officials, coaches, scorekeepers, directors FOR ANY REASON or are deemed condescending in any way.

If we have to take any appropriate action at any time regarding the above guidelines or any other unsportsmanlike conduct, your particular case will be reviewed by our administrative board. As a result, players or schools may be suspended or expelled from the league. **Please don't place our children at risk in this manner.**

I have read, understand and agree to hold myself responsible for behavior consistent with the "Code of Conduct" outlined above. By signing this form I also accept full responsibility for my household and/or friends who may be visiting or attending a game or practice with me or on my behalf and I agree that they will be held to this same "Code of Conduct".
