

Student Code of Conduct

Code of Conduct

Our hope and goal is to be a shining light in the community through this afterschool sports Pomona Valley league. The mission of the Pomona Valley League is to provide students a safe and positive developmental environment to learn a variety of sports at a fair and balanced competitive level. Meaningful and significant playing time for all team members is emphasized. Proper sportsmanship including respect for officials, coaches and opposing team members from players, coaches and parents is required. We reserve the right to (and hopefully won't have to) remove you from the afterschool sports program if:

- You are vulgar in your dealings with anyone.
- You are negative or deemed condescending to any child
- We have to ask you to contain yourself more than once
- You yell at the officials, coaches, scorekeepers, directors FOR ANY REASON or are deemed condescending in any way.
- If you do not maintain a C or better in all subjects
- If at any time you display behavior that results in disciplinary action

If we have to take any appropriate action at any time, your particular case will be reviewed by our administrative board which may end in a suspension or expulsion from the league. **Please don't place yourself at risk in this manner.**

I have read & understand the "Code of Conduct" as stated above to which I will be held responsible for my own actions. *(By signing this form you are acknowledging full responsibility for your household &/or friends that may be visiting on your behalf to which they will be held to this same "code of conduct")*.
